Dear Sir / Madam,

This is in regards to the opening in your organization.

This letter is to bring my interests, skills & talents in your organization and also to prove a valuable addition.

The qualifications and professional knowledge I can bring to your organization include:

- Modeling (Environment / Assets / Props / Character)
- Lighting / Rendering
- 3D Compositing (Render Passes)

In review of your company's objectives and possible openings, I believe that my skills and talents is in perfect line with your current needs. I am dependable, results-oriented, deadline meeting professional with a solid performance track. I looking forward for positive response from you.

Sincerely yours,

**Vijaykirti A. Chougule**
